Dear Owners;

Proposed Remedial Work

Please be advised, that a Special General Meeting of the Owners is being convened on September 29th 2011. Prior to that time, on September 21st, an Information Meeting of the Owners is scheduled to be convened. The information meeting will have a representative from exp. Services (Trow) and the project Manager in attendance for the purposes of outlining the proposed work and to answer questions from the Owners.

In the interim, please review the attached material which has been prepared for the purpose of assisting you in making an informed decision at the SGM.

Following the Information Meeting, should you require further clarification on matters relating to the project, please do not hesitate to contact the writer at the contact numbers set out in the information package.

Yours respectfully,

A handwritten signature in black ink, appearing to read 'John Williamson', is written over a horizontal line.
